lorecast162's first doc

lorecast162

August 12, 2019

This is my first ever piece of text written using LaTeX. Damn this shit *hard* man.

This is a picture of a cat.

Figure 1: *Look at this cute little kitten, delightful.*

$$\int x^5 * x\lambda^y$$

LaTeX

I could remain here all day describing just how calming the cat in figure 1 in page 1 is.
